## Design

...dy of the changing needs of  
...mobility and more convenient  
...r clinical settings.

...unctionality for better viewing

Abundant transducer family

Rechargeable battery

Dual Transducer Connectors

## DP-50

### Digital Ultrasonic Diagnostic Imaging System

As a stepping stone into the world of ultrasound, B/W ultrasound today need to bring more advances to general practices to improve their patient's benefits. Being a world-class medical equipment provider, Mindray's deep understanding of needs from customers makes our system DP-50 more suitable for your daily diagnosis in less time, while maintain your budget needs.

## Diagnostic confidence with imaging technologies

The DP-50 incorporates advanced technologies resolution. This results in a more confident diag

### iTouch Auto Optimization

One touch image optimization, quickly optimizes the uniformity and dynamic range, very convenient and efficient

### iClear Speckle Suppression

Scale the image size to intelligently detect structures of different sizes, improve accuracy

### Phase Shift THI

Enhance contrast resolution and improve image quality by separating basal frequency and harmonic content
